Greetings From The East

Brethren,

I have always felt blessed to be a member of Allen Lodge, and this has never been more-true than today. It is wonderful to visit other Lodges and see how our Craft positively influences other men and communities. While at the same time, I can't help notice that there is something truly special about our Lodge. Although we are active and work hard in the quarries, we genuinely appreciate and look out for one another.

Here is a snapshot of the Masonic work our Brethren have been engaged in during the last month: preparing for upcoming EA and MM degrees, planning for "Keep Allen Beautiful" and blood drive, executing a gavel raid, rocking the WMSA meeting with a near record turnout, practicing for a graded FC degree, transferring secretary knowledge, choosing paint colors for a "refresh", and getting ready for the annual financial statement audit. Allen Lodge is emblematical of the Masonic bee hive.

As impressive as these efforts are, I am absolutely blown away by how we care for one another. You treated Noralyn's mother and father so well during their visit to TX. They had a blast at our Officer Installation and the after party. Our Brother – and my father-in-law – Rene Gabriel wishes he lived in Texas so he could be an active member of our Lodge.

Also consider that while we pray for brotherly love to prevail, we absolutely witnessed this on July 20, 2022. That is when we celebrated the life of our friend and Brother, Lynn White. Brother White touched numerous lives and this was reflected in the turnouts for his viewing, ceremony, and internment.

Greetings From The East (Continued)

As you likely know, Lynn loved fishing and hunting, and he introduced both to large numbers of people during his lifetime. To honor Brother White, I encourage you to wear fishing or hunting gear to Allen Lodge's August 2022 stated meeting.

Finally, thank you all for your continued dedication to Masonry and Allen Lodge.

Best regards,

Sandy Moore
